To Whom It May Concern:

The purpose of this letter is to provide my recommendation and support for Procter McInnis and McInnis Builders, LLC. I am the owner of Another Broken Egg Café located at the Renaissance Shopping Center in Ridgeland, Mississippi. McInnis Builders, LLC completed the construction of our restaurant on time and under budget. Actually, the construction schedule was contracted for a 90 day completion but was completed in approximately 65 days. Procter, being of good and fair character, passed his cost savings through to me as owner. The time savings Procter provided ultimately translated into cost savings, and allowed us to open three weeks earlier than projected enabling us to begin producing revenues which we otherwise would not have been in a position to earn.

In closing, we have had numerous post construction issues (which are typical), and Procter has handled these promptly and professionally in every instance. I find Procter to be honest, hard-working, and of the highest character and I recommend McInnis Builders without reservation.

Sincerely,

Chris G. Gouras, Jr.
