Re: McInnis Builders, LLC Letter of Recommendation

Interior Design

To whom it may concern:

It is with distinct pleasure to recommend to you the General Contracting services of McInnis Builders, LLC. The Associates, LLC has worked with McInnis Builders since 2006 on various projects throughout Northwest Florida. We highly recommend using McInnis Builders due to their high level of service and quality of work. McInnis Builders has worked closely with our firm to keep construction cost to a minimum while producing a high quality product. The following is an example of a project we completed with McInnis Builders:

Beckrich Office Complex  
Panama City Beach, Florida  
15,000 sq. ft., two-story office complex  
Completed: 2007  
Construction Cost: \$2,489,384.00

McInnis Builders demonstrated, with upmost professionalism, the abilities, skills, and knowledge of general contracting on the project listed above. We highly recommend the Georgia Board of General Contractors to grant McInnis Builders, LLC a general contracting license.

Sincerely,

Victoria Williams, AIA  
Principal
